EDUCATION

Dublin City University 2021 - 2025

Bachelor of Business Studies specialise in business analytics & finance (Current GPA: 2:1)

Key Modules: Financial Accounting, Management Accounting, Corporate Finance, Financial Management, Investment Analysis, Business Strategy

WORK EXPERIENCE

Société Générale, Dublin, Ireland

May 2023 – June 2024

Depository analyst Intern

- Ensured 100% compliance with regulatory requirements by managing investment and borrowing restrictions for 121 funds.
- Conducted financial reconciliations, ensuring investment funds adhered to UCITS and AIFMD regulations.
- Reviewed 200+ financial transactions, identifying discrepancies that enhanced investment decision-making and reduced regulatory risks.
- Verified ownership of securities held outside traditional safe-keeping arrangements, mitigating risks of loss or misappropriation.
- Maintained relationships with eligible credit institutions and monitored third-party cash accounts to ensure regulatory compliance.
- Assisted in risk assessment and fund valuation processes, enhancing financial reporting accuracy.
- Issued letters to regulators at the Central Bank of Ireland to ensure compliance with reporting requirements.

Tesco, Edenderry, Ireland,

November 2020 – April 2021

Sales Assistant

- Managed daily financial transactions and reconciliations at point-of-sale.
- Boosted customer satisfaction scores by 10% by delivering tailored recommendations on pricing and availability.
- Assisted in financial reporting for stock control, minimizing loss through improved rotation and inventory strategies.
- Implemented effective shelf-packing strategies to optimize product visibility and accessibility.

LEADERSHIP & ACHIEVEMENTS

Microsoft Embrace Mentorship Programme 2022

- Assigned a mentor based on my career interests and areas for development
- Attended a virtual meeting with my mentor every week that developed my confidence and interview skills from my mentor's advice.
- Attended mandatory workshops that have improved my CV, LinkedIn and helped create my own Personal Development Plan, leading to an increase in LinkedIn engagement.

DCU Business Studies Class Representative 2022

- Elected as the voice and spokesperson for the 2nd-year Business Class, representing the collective interests of over 200 peers
- Regularly communicated with classmates to understand their academic experiences, concerns, and suggestions.
- Advocated for my classmates by bringing forward ideas, opinions, and concerns to the Students Union.
